

## Invitation to Tender Reference number – GGG-WP-02-2025

### GGG Water Project

**Green Globe Guardian** invites sealed tenders from eligible and qualified contractors for the GGG Water Project. This project involves the implementation of a comprehensive water supply system, to advocate for the development and implementation of water-efficient technologies and promote the conservation of our water resources in the wake of climate change.

### Project Description

The desired GGG water project will have a production capacity of 200000L per day, and will serve 3000 community members with livestock and plants.

**T8/25** Hydro Geographical Survey

**T9/25** Drilling of Boreholes

**T10/25** Supply and Installation of a 5.5hp 3phase Ground of Submersible Pump

**T11/25** Installation of a Solar System to Power the 5.5hp 3-phase Water Pump

**T12/25** Supply and Installation of 3 Ground Mount Plastic Water Storage Tanks of 30,000Litres capacity each.

### Application Requirements

- **Company Profile** - Proven experience in water sector projects (borehole drilling, pump installation, solar systems, water storage).
- **Project Experience** - Provide 3 relevant project references with contact details.
- **Technical Approach** - Detailed technical specifications and drawings for all proposed components.
- **Project Timeline** - Clear and realistic project schedule with key milestones.
- **Financial Proposal** - Itemized cost breakdown with clear pricing and payment terms.

### Tender Documents

Tender documents, including detailed project specifications and evaluation criteria, can be obtained from our Nakuru office (D&D House, 6<sup>th</sup> Floor) or downloaded from the website [www.greenglobeguardian.or.ke](http://www.greenglobeguardian.or.ke)

### Evaluation Criteria

Tenders will be evaluated based on the following criteria:

- **Technical Expertise** - Water project experience. Equipment quality.
- **Project Execution** - Feasible timeline. Effective project management.
- **Financial Viability** - Competitive pricing. Sound financial health.
- **Compliance** - Adherence to standards and regulations.
